**Advancements are by the D36 Advancement rules in section 7.1 of the D36 Operataions Manual**

**Membership #'s noted above do NOT indicate a current membership.**

**Advancement 2023**  
**Sportsman B**

*Membership numbers/exp dates noted may have changed since J.P. stopped doing the membership data base.  
Racers may have renewed memberships and/or change membership numberse.*

**This list is NOT concrete proof of what the correct class someone should be in.**

People race other AMA recognized organizations & may have been advanced there, as well as having raced in 'outlaw' orgs that AMA accepts their advancement in.

D36 is not responsible for tracking DT advancements in other organizations.

If someone wants to enter in a different class than what is on their D36 card, they must first be referred to the DT Steward for discussion/approval.

**This list only includes those who have earned D36 adv. points in DT.**

There are many others who earned advancements in other disciplines.
