n/p = no points
o/c = out of class
D36 rule 7.1.9 or 7.3.8

0 points indicate races where only 1 (one) rider was entered in that class
or, where there were more than 13 riders in that class.

* Ties for last place - due to DNF, DNS, DNQ - will be given equal last place points.
* These are preliminary point standings only and they do not indicate or guarantee D36 series classes that will win awards for 2023.
